Mind Control victim goes apeshit on M6 motorway

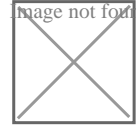

**How to get thrown under the bus, sent down the river and generally cut loose.**

**When the worlds of reality television and psychosis merge, the results create yet more highly anomalous events. What motivates two sisters from Sweden to throw themselves into oncoming traffic on the M6. Is it purely an ardent attempt to avoid being detained by police? The official narrative claims some form of temporary insanity, but many of the details correlate with those seen in the cases of other 'persons of interest'.**
